

RAINBOW

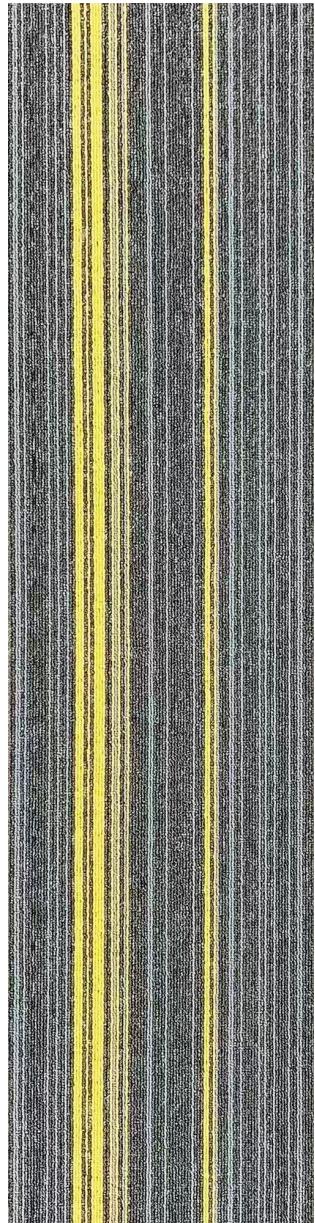

CARPET PLANKS

Rainbow - Lines that shape your space

“Rainbow – Yellow Edition.”

Built on a sophisticated grey base, this variant is enhanced with bright yellow linear accents that add energy, clarity, and a modern visual spark to any workspace. The clean directional lines create a sense of movement and openness, making the floor feel contemporary and engaging. Its fresh, uplifting contrast is ideal for creative zones, collaborative areas, and offices that want a vibrant yet professional ambience. A smart choice for spaces that aim to stand out with subtle elegance and confidence.”

Basketweave

VAE Backing

VAE (Vinyl Acetate Ethylene) backing is a new-generation, high-performance carpet tile backing developed for superior durability, comfort, and environmental safety. This presentation highlights its features and advantages compared to traditional bitumen backing.

Comparison Section (VAE & Bitumen Backing)

Feature	VAE Backing	Bitumen Backing
Flexibility	High	Low
Weight	Light	Heavy
VOC Emissions	Low	Higher
Moisture Resistance	Strong	Moderate
Durability	Excellent	Prone to cracking
Eco-Friendliness	Yes	No
