# Benifits of High density cut pile carpet

High-pile  
carpets  
provide more  
comfort,  
whether  
standing,  
sitting, or  
laying down.

It  
encourages  
people to  
spend time  
more  
intimately  
because it's  
an "active"  
piece of the  
home.

# BRAZIL
